

# QUALIFICATIONS NEEDED TO APPLY:

To qualify for an AAT Apprentice position with Armstrong Watson you **must be aged 18 or above** by 31st August 2024, with a **minimum of 5 GCSEs or Scottish Nationals at Grade 5 (C) or above, including Maths and English**, and already have achieved or be predicted to achieve a **minimum of 3 A Levels or Scottish Highers at Grade C or above**.

# HEADING TO UNI OR ALREADY GRADUATED?

Our **Associate Chartered Accountant (ACA)** programme might be right for you. If you're close to graduating, already graduated, or completed your AAT check out our graduate training programme [www.armstrongwatson.info/ACA](http://www.armstrongwatson.info/ACA)

# HOW CAN I APPLY?

To apply, please click on the **QR code** on the back of this leaflet before the **closing date of 1st April 2024**.

If successful, you will be asked to complete an online numerical and problem-solving assessment before progressing to the next stage of application. Those offered roles will start with us towards the end of August 2024.

## WHAT DO ACCOUNTANTS DO?

Accountants work with all types of businesses and organisations providing advice and expertise.

We're trusted to look at how money comes in and out of a business (assess), check that it's done in a trustworthy way (audit), help businesses launch and grow (advise) and work out how to turn cash into profit (analyse).

## WHO IS

### ARMSTRONG WATSON?

AW

Armstrong Watson is one of the UK's largest independent accountancy firms and we're growing fast!

We work with lots of different types of businesses which means you will too, from well-known leisure brands, to big tech companies, through to small independent shops and family businesses.

**WE'RE ALSO RANKED IN THE TOP 100 APPRENTICESHIP EMPLOYERS IN THE UK.**

Find out more at [www.armstrongwatson.co.uk](http://www.armstrongwatson.co.uk)

## WHAT DOES IT INVOLVE?

We offer an AAT (Association of Accounting Technicians) 3-year apprenticeship where you will work towards the Level 3 and Level 4 AAT qualifications. This will include:

Professional intense bookkeeping course delivered by our training provider

One day a week professional tuition, face to face, from a local AAT Provider

A dedicated AAT Training Manager who will support and oversee your development via a student passport system

A 3-year programme of soft skills training, including communication skills, time management, and working effectively within a team

Exposure to different types of work, increasing in complexity to match and stretch your developing technical skills

Progress pay increases as you complete your learning
